

Wycoff Wellness Center On-Line Store Sale Access

For previous On-Line Store guests:

- If you have previously registered on the Wycoff Wellness Center's Meta- ehealth site or have made purchases from the Wycoff Wellness Center's On-Line Store you will see the discounted prices when you reenter the On-Line Store. You *WILL NOT* see the regular price listed – only the 20% discounted price will be seen.
- All you have to do is reenter your established "User ID" and "Password" and you will have immediate access to the special discounted sale prices and may place your order. You may place an order as often as you would like for the duration of this sale.

For new On-Line Store guests (first time users or registrants):

- If you have not previously registered on the site you will need to do so before making your first purchase to obtain special discounted pricing.
- Please take time today to establish a "User ID" and "Password." Please make note of such for future use.
- You may shop the store immediately but do not make a purchase. We need to manually move you into a separate category to access the discounted prices.
- The Wycoff Wellness Center's staff will do so the first business morning after you have completed your registration. After this is completed when you reenter the On-Line Store you will have

access to the discounted prices. Please note that the price seen reflects the 20% discount. You *WILL NOT* see the regular price for any product. Please note if you register on a Saturday or Sunday you will have discounted access after the next Monday morning.

- From this point forward you will have access to special discounted pricing when your reenter the store during periods of discount promotions.

Should you experience any problems with the registration or log in process please contact any staff member at the Wycoff Wellness Center's office at (517) 333-7270.

Thank you for allowing us the ability to be of service to you.
